

MORAL MODEL ROLE PLAY SCRIPT

The telethon host will come out and open the telethon. He/she will say: “Welcome to the National Handicapped Association Telethon. We are here today to ask you to help our kids. We need to raise money so that we can take care of these kids.”

Then the host will say: “Now I want you to meet a very special person.”

The person will come out and stand by the host and say: “Hi.”

The host will pat the person on the head and say “Isn’t she/he cute? Say hello to the audience, honey.” After the person says hi, the host will say: “We need your generous contributions to help kids like this. These kids need your money to help take care of them.” Then the host will say: “We will now go to a commercial.”

Another person will be sitting at the TV watching the telethon. After the telethon goes to a commercial, the person watching TV will say, “Oh, those poor kids. I’m going to make a donation. It will make me feel better knowing that they are cared for.”
